### **SRVBCA Turkey Drive**

As the holiday season approaches, the Snake River Valley Building and Contractor's Association and their newly formed Hearts and Hands Charitable Committee has pledged to put a turkey on the Thanksgiving table of approximately 1,000 Treasure Valley families that may not otherwise enjoy this special meal through the Idaho Food Bank.

This is an event the SRVBCA hopes will fast become an annual tradition.

Thanksgiving is a time to reflect, give thanks and help those who have less. We are asking you to pitch in. A \$100 donation to the SRVBCA Turkey Drive will provide turkeys for 10 families! When you consider that each turkey serves about 12, that's Thanksgiving turkey for 120 people!

We need your help! It is truly heartwarming to be a part of our first annual Turkey Drive and to know that together, we have brightened the day for 1,000 needy families. To make a donation, please fill out the form below and sent it to

SRVBCA

1123 11th Avenue South, Nampa, Idaho
